MAY QUEEN

May Queen is here, our annual spring fundraising event in which Sundre High School students, parents and staff volunteer to work at odd jobs over several days in May. Although this is a fundraiser for the school, it is also an opportunity for us to connect with the community. May Queen is an activity that;

- Promotes cooperation and collaboration among students.
- Empowers students to take leadership roles.
- Provides valuable lessons in the areas of community, persistence, initiative and responsibility.
- Brings students, parents, staff and community together.

Monies Raised

The funds raised are allocated to scholarships, extra-curricular activities, graduation, awards night, yearbook, student trips, community projects and other student initiatives.

How can parents help?

1. Fill out the permission form, that will be emailed to you, so your child can participate.
2. Supervisors are required at each jobsite. If you would like to help supervise, please submit a criminal record check to the school and fill out the form (emailed to you) indicating when you are available.
3. If you are willing to drive students to their jobsite, please submit a copy of your insurance and driver form (emailed to you) to the office.

As this is a great volunteer experience for students we appreciate your support in encouraging your child to participate in an event that benefits them and the community.
